INTRODUCTION

- WHO IS ENOCH?
- WHY DOES THERE EXIST CONFUSION OVER ENOCH'S GENEALOGY?
- WHAT DOES THE BIBLE SAY ABOUT ENOCH?
- HOW DOES ENOCH'S VISIONS AND PROPHECY RELATE TO OUR TIME?

The Book of Enoch is full of insights and treasures never before understood. God tells His story through Enoch, in words that are made clear to the heart, of His love and forgiveness and extraordinary plan for mankind.

Through Enoch, God tells the story of man's true history. This chronicle is laced with God's judgments against a race of angels who sought to transfer the blessings God meant for us, to themselves.

Through Enoch we are given a detailed account of the sin of the angels who left their orders in heaven to collaborate with Satan to steal from mankind the unique and powerful blessing God reserved solely for the human race.

Through Enoch we come to understand the vengeful hatred Satan has for us and his malevolent plan to pollute our race so God would turn to Satan as His chosen one.

In addition, through Enoch's tour of the 7 heavens and everything that each heaven contains we come to appreciate the order and stations of angels and their heavenly functions.

Of all God's treasures shared with us through Enoch, none is more precious than the hope that is shared of our redemption through Jesus Christ.

God's legacy is not only written in to Book of Enoch, it has been inscribed in our hearts. For God buried deep within the conscience of man a seed, that when watered by His grace would awaken us to the knowledge of the true purpose of our creation.

We live in an extraordinary time of human history. Few people have the profound privilege and pleasure of living in an age when God is again visiting the earth to awaken the seeds of hope in the hearts of His beloved creation. Renewed interest in the Book of Enoch in our day is by divine design.

God wants us to marvel at the glorious mysteries with which He surrounds Himself. He wants us to know the treasures of His heart and welcomes us to share in His throne, as a son or daughter, redeemed by the precious blood of the Lamb.

It's easy to see why God calls the Book of Enoch a blessing for our time. What you will find in this report is the real story about

- WHY ARE ATTEMPTS MADE TO SMEAR ENOCH'S REPUTATION?
 - WHY DID ANGELS START A CULTURE WAR AGAINST THE HUMAN RACE?
 - WHY IS SATAN TRYING TO REMOVE THE AUTHORITY OF GOD'S WORD THROUGH ENOCH?
 - WHAT IS THE SECRET KNOWLEDGE OF ANGELS?
- UNCOVER THE TRUTH!

Enoch and the reason for God's revelation to him.

The Book of Enoch was born of God's desire that we, as the salmon, would return to the place of our origin, to the bosom of our Father.

This report will not only ask the who, what, and why about Enoch, but will ask the questions behind the questions to reach the hard to get at answers. For example...

1. ***You may have heard about the angels*** that left their divine order in heaven to have children by human women on earth and the offspring of giants they produced (*Genesis 6 and I Enoch 6:1-2*), but
 - did you know that the angels were actually starting a culture war against the race of Adam?
 - Did the secret knowledge fallen angels gave as "gifts" to mankind really "help" us in our struggle or were they meant to make us forget our true heritage?
2. ***Why have some demonized the Book of Enoch?*** The question behind the question is, why is Satan trying to remove the authority of God's word through Enoch? This report will
 - dismantle the Deceiver's effort to confuse righteous Enoch with unrighteous Enosh. And further explain
 - the differences between Enoch the 7th from Adam and Enoch the descendent of Cain.
3. ***You may have heard about the Flood*** that God sent upon the earth in the days of Noah and how God destroyed every living thing except for Noah and his family and the animals with him in the ark. But what might not be known is that God set a 6-Step Plan to judge the angels that sinned.
4. ***You may have heard that Satan rebelled against God*** and brought evil into this world, but have you considered what brought on his fit of jealous rage? What sparked Satan's fury in heaven that now burns as a forest fire upon earth? What had God shown His angels about His gift to us that made them cast an evil eye of envy towards mankind?
5. ***This report will provide back matter*** that will further reveals 2 groups of angels that fell after Satan's example.

- 2 GROUPS OF ANGELS REBEL AGAINST GOD AFTER SATAN'S FALL.

REACH BACK INTO TIME TO LEARN THEIR STORY!

- WHAT ARE THE DEAD SEA SCROLLS?
- WHO IS ENOSH AND WHY IS HE CONFUSED WITH ENOCH?

We will reach back into time to bring their story alive through the writings of Enoch.

- Why did they commit the unthinkable act?
- Why did they believe their acts would go unpunished?
- How are they active today?

What is the Book of Enoch?

The *Book of Enoch* is also known as 1 Enoch and predates Noah & Moses. It is also called the *Ethiopian Book of Enoch*, because the book is identified with some forty manuscripts from Ethiopia. The Book of Enoch was rediscovered with the now famous Dead Sea Scrolls. Important ancient manuscripts were discovered in eleven caves along the northwest shore of the Dead Sea between the years 1947 and 1956. The findings include the oldest known surviving copies of Biblical and extra-biblical documents.

The Book of Enoch was considered scripture by the apostles of the early church. The First book of Enoch is quoted in the Christian Bible (*Jude 1:14-15*).

“And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, to execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly sinners have spoken against him.”

Who Is Enoch

The name *Enoch* (or *Henoch*) can be found in *Genesis*, where this patriarch is mentioned as the seventh descendant of Adam and Eve. Enoch is Adam's great grandson through Seth (*Genesis 5:17*). By this genealogy, God distinguishes the Enoch through Seth from the Enoch which came through Cain, which is the father of Irak (*Genesis 4:17*).

This distinction is necessary because these two Enochs are not at all alike. The Enoch which is the descendent of Adam through Seth is known as a righteous man, while the Enoch which is the descendent of Adam through Cain followed the ways of Cain and lived in idolatry.

- WHY DOES GOD WANT THE BOOK OF ENOCH TO BE READ TODAY?
- WAS THE BOOK OF ENOCH PRESERVED IN NOAH'S ARK?
- THE MILE MARKERS OF GOD'S PATH ARE SET BEFORE US IN THE BOOK OF ENOCH.

Cain was cursed of God because he offered sacrifices to God with an empty heart. His purpose of sacrifice was to compete with his brother Able whom he then killed. The children of Cain did not walk in the ways of righteousness.

Righteous Enoch is further confused with the wicked Enosh who is identified in *3 Enoch 5:10* as the chief of the idolaters. The distinction between these three men is to teach us to observed how Satan counterfeits God's kingdom by blurring the lines so that people call good evil and evil good.

Satan had fully intended that the wicked idolater be confused with the righteous Enoch. We see this played out today in the fear that some have in regard to the Book of Enoch. It is thought that he is the corruptor of God's knowledge, when in fact it is the Enoch through Cain and Enosh that Satan used to corrupt the earth with false knowledge (*Genesis 6:5*).

God Wants the Books of Enoch to Be Read

1 Enoch 82:1

“Now, Methuselah, my son, I shall recount all these things to you and write them down for you. I revealed to you and given you the book concerning all these things. Preserve, my son, the book from your father's hands in order that you may pass it to the generations of the world.”

We have available to us the Book of Enoch today because God preserved it. The book which Enoch gave to Methuselah was passed down to Noah. Noah took it into the Ark, and it was passed on to the generations that proceeded him—Shem, Ham, and Japheth.

And from there, to Abraham, and from there, the righteous continued to embrace this knowledge, as we see in the Book of the Patriarchs who read from the Book of Enoch regarding the activity of the Watchers and the struggles of their own nation to the time of the dispersion and the final judgments of the end of the world.

The mile marks of God's path is set before us in the Book of Enoch. They read all of that. Judah read that, Dan read that, Benjamin read that, Joseph read that. We see it written in Ruben, concerning the Watchers and the Book of Enoch. So, if it benefitted their faith, it will benefit our faith also.

- **THE WEEKS OF ENOCH EXPLAINED:**

1st WEEK: ENOCH

2nd WEEK: NOAH

3rd WEEK: ABRAHAM

4th WEEK: MOSES

5th WEEK: DAVID

1st 8TH WEEK: JESUS

6th WEEK: FALLING AWAY

2nd 8TH WEEK: RESTORATION

7th WEEK: TRIBULATION

9th WEEK: MILLENIAL

REIGN OF CHRIST

10th WEEK: ETERNITY

What is read in the book of Enoch is like reading from the book of Genesis through the book of Exodus, Judges, and Kings and Prophets.

We gain a panoramic view of the plan of God from the creation of the world, to the selection of God's stewards, the rise and fall of the kings of the earth, the glory of Solomon, and the rise of God's holy prophets. God reveals to mankind a tradition of faith, a tradition of Himself.

The Weeks of Enoch

The parable Enoch receives is unfolding many different weeks. As Enoch sees into the future, God unfolds to him the Weeks of His plan, from the 1st week (Enoch) to the 10th week (the eternal week) Enoch is shown things that were going to take place during the 2nd week (Noah/Flood), the 3rd week (Abraham), the 6th week, and he saw the things that would be taking place in the second 8th week, and he saw the things that would be taking place at the conclusion of the second 8th week. He saw the things pertaining to the 7th week (tribulation) concerning the emerging of the beast and his destruction.

Why Discredit Enoch?

Demonizing Enoch is not a substantive debate. What Satan is doing is propagating fear.

The Deceiver could not risk us knowing the truth about our creation and God's true purpose for us. If we knew the full extent of God's promises, if we knew what He had from the beginning planned for us, then we would not allow ourselves to be put to sleep by Satan's false knowledge campaign.

The reason for the prejudice against the Books of Enoch is clear. Satan wishes us to forfeit the glorious inheritance God intended to give all His children.

Is it any wonder that after 6,000 years of being baptized into the Deceiver's lies that we no longer know who we are as a race of people? We don't know the purpose of our creation, we don't know our origin, or our destiny.

**ANSWERS FROM
THE BOOK OF ENOCH**

- Atlantis – The Watchers and their 400,000 giant children build an inter dimensional urban society of class structure, kingship, aristocracy, priesthoods and wealth accumulation.
- Global mining program: The fallen angels’ drill for the world’s precious gems and metals.
- DNA and genetic engineering and interbreeding program: before the Flood, after the Flood, and today through alien abductions, cattle mutilations, etc to breed children who might replace Adamites.
- Evidence of Advanced Architecture: Pyramids in 4 corners of the world.

What Happened to Enoch?

The Prophet Enoch, a holy man of God, was translated to heaven. The Bible says, “And all the days of Enoch were three hundred sixty and five years. And Enoch walked with God: and he was not; for *God took him.*” (*Genesis 5:23-24*)

What did God mean to tell us when He said that He “took” Enoch? We can get that answer from the Bible by reading Hebrews 11:5, “By faith Enoch was *translated* that he *should not see death*; and was not found, because *God had translated him*: for before his translation he had this testimony, that he pleased God.”

What can we conclude from these 2 verses of scripture? That Enoch did not die, but rather that he was taken by God to heaven (translated). This is in fact what Enoch says happened to him.

“This is a holy vision *from the heavens* which the angels showed me: and I heard from them everything and I understood.” (*1 Enoch 1:2*)

We also understand clearly that God’s testimony of Enoch differs from Satan’s testimony of Enoch. Satan demonized Enoch, but God said that Enoch pleased Him. Is this what jealousy has done to Satan? Does Satan demonize those God loves because he himself is jealous for the attention God gives towards Adamites? God loves Enoch and this is why Satan hates him.

The Book of Enoch (The Division)

We will now turn our attention to the contents of the Book of Enoch. The Book of Enoch is generally divided into the following five major sections (books):

1. *The Book of Watchers* (§1-36)
2. *The Book of Similitudes* (§37-71)
3. *The Book of Astronomical Writings* (§72-82)
4. *The Book of Dreams and Visions* (§83-90)
5. *The Book of the Epistle of Enoch* (§91-107)

**ANSWERS FROM
THE BOOK OF ENOCH**

- Rejected mysteries and knowledge that fallen Watchers spread to deceive mankind (Bible codes, alchemy, numerology, astrology, gematria, sacred geometry, etc.) and build systems of religion and politics, agriculture, security, health and education, science, etc.
- Fallen Watchers understand their impending doom, ask Enoch to petition God for forgiveness; petition rejected, judgment sealed upon them; Watches observe their children destroy each other in blood thirst battles.
- Fallen Watcher's first legacy ruined: children, cities, wealth, monuments, culture, and memorial destroyed by flood; Ascendancy powers removed by God.

1. The Book of the Watchers (chs. 1-36)

God wants us to know why the angels left their divine order in heaven to have children by mortal women. There are 3 things we must know about fallen angels:

1. God shared with them His plan for the human race.
2. They envied the human race because of God's plan.
3. They tried a highly traditional path to acquiring the inheritance God planned for Adam: They had to create a link for their race into the bloodline of Adam.

Some of this important history is explained in 2 Enoch 31:3 where God says, "And the devil understood how I wished to create another world, so that everything could be subjected to Adam on the earth, to rule and reign over it."

The account given in the book of Genesis also speaks of God giving the earth over to Adam's dominion, "And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth." (*Genesis 1:26*)

Before Satan fell he was one of God's most beautiful angels. Glorious music is said to have proceeded from him as he walked. He had legions of angels under his authority. Are we to understand that this powerful angel whom God beautified and glorified with rank, position, and honor was stirred to envy and jealousy over a piece of real estate?

No. God's plan was not about who was going to have ownership of this rock we call planet earth. God's plan was for Adam to *inherit His throne*. This is the prize that Satan envied. This world was created as the testing ground for our race to see who among the race of Adam loves God and will keep His commandments. Those are the ones that God will reward with the seat of His power.

Do you doubt God's plan to raise up the race of Adam, to treat us as sons and daughters and share with us His power as a Father would share with His children? Jesus said it is true and said we could believe it. Jesus declared plainly the promise in Revelation, "To him that overcometh will I grant to *sit with me in my throne*, even as I also overcame, and am set down with *my Father in his throne*" (*Revelation 3:21*).

**ANSWERS FROM
THE BOOK OF ENOCH**

- **UFO-Antigravity technologies:** Fallen Watchers invent travel technologies from another dimension to defy a future judgment of God determined that will be released during Tribulation.
- **Deceased Giant offspring now called demons, sent to inhabit the earth, upon it, in it, and in the atmosphere, to afflict the living humans who reject God's covenant.**
- **Why spirits roam the atmosphere and wander the earth, inspiring minds to technological advancements, possessing bodies, speaking with the voice of the deceased, dispensing information of the past and future.**

Do you still doubt God's promise and plan to raise you up to seat you on His throne? Jesus said, "If it were not so, I would have told you" (John 14:2).

Jesus was not promising to share His "chair" with us—He was promising to share the power and authority of His throne with us. His throne is the throne of God.

The angels did not doubt God's plan for us. Neither did they doubt God's ability to accomplish what He said He would accomplish.

Not only did God speak verbally to His angels to reveal His plan for mankind, but He showed them the future glory of this race of beings He had created in His own image and likeness. God gave the angels a panoramic vision of the glories He has planned for our race.

God created the angels to serve man in this plan, but the angels, jealous of God's love for us, wanted the prize for themselves. After they saw that their creation was to serve Adamites they planned to infiltrate the race.

First Strike: The first strike was made by Satan in the Garden of Eden. He causes our first parents, Adam and Eve, to accept his counsel and reject God's Word to them. This resulted in man's separation from God. Satan's thinking is, "If I can't have God's promise then you can't have it either."

Second Strike: The first wave of fallen Watchers follow Satan's example of rebellion. They come down to earth to defile Adam's bloodline. They breed with human women. They and their children are later destroyed in the Flood.

Third Strike: After the Flood a second wave of fallen Watchers repeat the act of the first wave of fallen Watchers.

What the Bible Says

Genesis 6:1-6

1. And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,
2. That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

- Enoch sees the assembly point for souls of children who die in the flood (pre-age of accountability), sees 3 containments to separate the spirits of the death righteous from the unrighteous, sees the dimension of "outer darkness" (the 2nd death), sees the millions of souls converted during the Second 8th Week and the Tribulation.

3. And the Lord said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.
4. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.
5. And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.

3 And Sem yaz, being their leader, said unto them, I fear that perhaps you will not consent that this deed should be done, and I alone will become (responsible) for this great sin.

4 But they all responded to him, Let us all swear an oath and bind everyone among us by a curse not to abandon this suggestion but to do the deed.

5 Then they all swore together and bound one another by (the curse).

Fallen Watchers FAQ

Q1- What is a Watcher?

A1- What the Bible says: I saw in the visions of my head upon my bed, and, behold, a *Watcher* and an holy one came down from heaven." (Daniel 4:13)

The Watchers are a powerful, interdimensional order of angels that are charged to "watch" the activities of other dimensions to oversee and supervise and report to God. The Watchers first came to earth, into this dimension, to service Adam in the

**ANSWERS FROM
THE BOOK OF ENOCH**

- Enoch raptured, taken through vortex dimensional door to heaven, sees same throne Apostle John saw, visits 10 heavens, sees the brilliance of God, sees Watchers imprisoned, visits heavenly armory, scribes God's account of creation, sin of Watchers, and the future history of earth's recovery in the Millennial Reign of Christ, to the time of eternity where the overcomers each receive their dimensional reward in God's soul.
- Sees angels in the form of wind, thunder, lightening, fog, clouds, and stars.
- Human soul understood: soul like a drop of water, but bigger than the universe.

garden.

After the fall they instructed Adam in planting and reaping and the skills needed to begin to survive after his expulsion from the garden. At first Adam ruled over them, but after he fell from grace, they had to have God's permission to assist him.

Q2- How many Watchers fell?

A2- Two hundred chief Watchers conspired together to begin their virulent propagation in this dimension to take over the human race.

Q3- Who are the Nephilim?

A3- The Hebrew word נפילים (Nephilim) mean "fallen ones". These are the fallen angels or "Watchers" mentioned in the Bible and the Book of Enoch.

Q4- What is miscegenation?

A4- Miscegenation is the unlawful act of angels breeding with humans.

Q5- Did the Watchers produce an offspring of giants?

A5- The Watches' children did not initially appear grotesque. This was one of God's judgments against them. Fathering this hybrid race, the Watchers produced children who were beautiful and glorious in every way.

With angelic parents who provided them super human strengths, intelligence, and technologies, these offspring were marked as heroes and conquerors—the men of renown who built astronomically aligned cities like Atlantis and megalithic monuments (like those seen on Easter Island) and statues (like that of the Greek gods) to memorialize themselves and their fathers forever.

Global archeological records testify of an explosion of technology that advanced the human race practically overnight. By this enormous infusion of their powers and knowledge upon the inhabitants of the earth, fallen angels forged a path into tyranny, with the malicious intention of taking dominion over the human race.

**ANSWERS FROM
THE BOOK OF ENOCH**

- Tour the Storerooms of the angels of the weather
- Sees the 12 gates within the multi-dimensional grid system the angels travel and move stars through, hears and records Uriel's accounting of the stars' names, numbers, ranks, seats, periods, months, laws and companies.
- Hears the voice of Abel suing Cain for complete extermination of millions of his children, hears the voices of all those who died under the oppression of the Watchers and Giants.
- Tours 3 prison dimensions for stars and angels with sentences of "year of mystery", "10 million years", and "life imprisonment" who commit crimes against heaven.

Knowing the soul was created with a need and design for fellowship with God, they also launched a global initiative to usurp God's covenant by the establishment of a variety of state religions, cults, and deity worship, presenting themselves and their fathers as gods and goddesses and successfully holding the human race spellbound to their power. ¹

Q5- What are God's judgments against the Watchers?

A5- God initiated a six-step multiphase judgment to put a stop to their activity by

1. placing a curse upon the Watchers' children—their beauty was removed and they appeared as monstrous, hideous giants;
2. turning the Watcher's children against each other for self-destruction;
3. sending a Flood to destroy the children of the Watchers.
4. sentencing their spirits to inhabit the earth's dimension to wander with no rest;
5. Clipping the Watcher's wings thus removing their ascendancy powers, resulting in their perishing in the Flood with their children as mortals; and
6. Sentencing some of the Watchers to imprisonment inside the abyss for a future day of release.

Q6- How were fallen angels able to pass on their knowledge to mankind?

A6- Much of the first 36 chapters of 1 Enoch are devoted to revealing how the fallen angels had not only corrupted the human race by interbreeding, but by sharing with mankind the secret knowledge of heaven.

1 Enoch 8:1-3

1. *And Azaz'el taught the people (the art of) making swords, and knives, and shields, and breastplates; and he showed to their chosen ones bracelets, decorations (shadowing of the eye) with antimony, ornamentation, the beautifying of the eyelids, all kinds of precious stones, and all coloring tinctures and alchemy.*
2. *And there were many wicked ones and they committed adultery and erred, and all their conduct became corrupt.*

**ANSWERS FROM
THE BOOK OF ENOCH**

- Tours the dimension inside earth (Hell), sees Abraham's Bosom, sees various dimensional caverns for oppression of sinners, pleasure for the righteous, tours the parallel earth, sees the original beauty of this earth before destroyed by the Flood, sees the Tree of Wisdom Adam and Eve ate from.
- Taken to edge of the universe, sees the expandable substance, sees angels larger than the 7 heavens bound in prisons, hears the names and charges of holy Watchers who uphold God's orders over creation and man.
- Sees the Tree of Life reserved for the elect who overcome.

3. *Amasras taught incantation and the cutting of roots; and Armaros the resolving of incantations; and Baraqiyal astrology, and Kokarer'el (the knowledge of) the signs, and Tam'el taught the seeing of the stars, and Asder'el taught the course of the moon as well as the deception of man.*

The Watchers introduced their forbidden arts to every culture on earth. By "forbidden arts" we are referring to the myriad of divination systems.

A divination system is a system of thought, philosophy, and activity used as a pain reliever to ease the pain of separation from God.

The many tools and systems that people have used throughout the ages to find themselves and discover God were handed down through fallen Watchers. Their transference of their beliefs to our cultures is called the Science and Technology Transference Act (STTA). These acts were specifically designed by the fallen Watchers to overthrow your faith in God.

Q7- How were fallen angels able to pass on their knowledge to further generations?

A7- As each civilization rose and fell, these practices were merely passed on to the next civilization and era, with the identifiers of these systems evolving slightly in name and slightly in sophistication.

At present, humanity is *still* being referenced to the fallen Watchers. Their pseudo knowledge, which brought short-term pseudo relief, deceives people into thinking they can return to their original design or creation without the will of God, without a covenant, and without faith.

1 Enoch 10:4-6

4. *And secondly the Lord said to Raphael, Bind Azaz'el hand and foot (and) throw him into the darkness! And he made a hole in the desert which was in Duda'el and cast him there.*
5. *He threw on top of him rugged and sharp rocks. And he covered his face in order that he may not see light.*
6. *And in order that he may be sent into the fire on the great day of*

Eric vonAnderseck divides the first section of 1 Enoch into six parts:

- (§1-5): Enoch is shown the mysteries and powers of God and how God put these powers in the diversity of all his creation, including mankind and that all his creation follows his Oath and will but mankind.
- (§6-7): Outlines the transgression of fallen angels (Watchers) against God: their plot to sire children by mortal women, the elevation of their wives as queens and sorceresses, God's curses upon their children: they become mutant centaurs, satyrs, and giants; angels attempt to undo God's curse (genetic tempering); Tree of Life removed from earth and taken to heaven.
- (§8-9): Outlines fallen angels' intentional acculturation of the human race, how they revealed the eternal secrets of heaven to deceive, plunder, and oppress the souls of men.
- (§10): The kingdom of the Watchers reaches its pinnacle; Watchers desire to immortalize their presence on earth; evidence of their advanced architecture; Gabriel is sent from God to pronounce multiple judgments against them; Watchers' first legacy ruined: children, cities, and wealth destroyed by God.
- (§11-16): Enoch is sent to reprove and reprimand the Watchers of heaven. They weep before him and plead with him to make intercession for them before God, and are denied and told of their pending chastisement and doom. Enoch is shown the house of Christ and the throne of God; the origin of all evil spirits is explained, and Enoch is warned of the First Consummation (the Flood).
- (§17-36): The transforming powers of angels explained, the signature of the soul explained, and the ultimate ends of heaven seen. Enoch is shown the storerooms of heaven, the prison houses of fallen angels, and journeys to Earth, Hell, and Heaven where he sees the blessings prepared for the righteous.

2. *The Book of the Similitudes* (chs. 37—71)

1 Enoch Book 2 is named *The Book of the Similitudes* because Enoch's writings are recognized as a lens of prophecy, a parable, preaching to us the mysteries of God. Some believe that the book of Enoch is symbolic and allegorical and cannot be taken literally. But this can be refuted.

When Jesus spoke parables, He was speaking of Himself in a mystery regarding His plan. And God is doing the same through Enoch. So, we can see the same Spirit—that which Jesus spoke from and of, is the same Spirit by which Enoch is writing by.

All 5 books of Enoch are in fact books of the similitudes of prophecy. Take for example, 1 Enoch 3:1, **“Examine and observe everything—and the trees, how all their leaves appear as if they wither and had fallen, except fourteen trees whose (leaves) do not**

ANSWERS FROM
THE BOOK OF ENOCH

- History of the Fallen Watchers and their offspring.
- Land of Canaan pocked with the landmarks of the Watchers.
- Jericho a monument of technology to the Watchers.
- Satan, being cast out of heaven, took ownership of the knowledge of God and directed it according to his aspiration.
- God challenges the state of the conscience and awakens the seed of heritage.
- Man's true heritage reclaimed.

fall but the old (foliage) remains for about two to three years until the new (leaves) come.”

“*Examine and observe everything*” (Enoch is told).

God points out the trees because there's a mystery in this, that the child is greater than its parent, that everything began as a seed and increases for its multiplication.

“*how all their leaves appear as if they wither and had fallen*”

We can see seasonal changes—circumcision for increase—loss for increase, restrictions and propagation, all at the same time. Then God identifies,

“*except fourteen trees*”

God shows that there's exceptions to nature, there's exceptions to the rule—as Jesus working on the Sabbath Day; that was an exception to the rule because he was the Sabbath man. God is preaching to us His plan.

Jesus walking on water. That's an exception to the rule because that's against the assigned powers. The powers that God assigned to the waters were reversed by God himself, as he was walking upon the waters. The same thing with the multiplying of the bread.

It is normal for people to pass off the things they do not understand as either symbolic or allegorical, but it is a mistake to dismiss the importance of God's word to us through Enoch, for God is speaking to us of our eternal hope in Him. The happenings described in the book of Enoch is a realistic description of the things that Enoch heard and saw at the mouth of God through His angels.

Enoch speaks by the eye of this revelation and prophecy. And writing these parables down, is not only for the benefit of his seed, not only for that generation and that seed, but also the benefit of the future generation, which we are living in right now.

2. The Book of Similitudes (§37-71):

Eric vonAnderseck divides the second section of 1 Enoch into four parts:

- (§37-40): Enoch addresses the last generation to set before them the testimony of God. He is shown the beginning of the 9th week (the millennial reign of Christ on earth). We are made to understand the bodies and functions the elect will have and the eternal rewards they

ANSWERS FROM THE BOOK OF ENOCH

- There is nothing more significant to us than to return home to the bosom of our Father. It is in our very nature to desire to take that journey. The One who created us for Himself placed a homing device in our conscience and preaches to us through nature that He meant for us to come back to Him. We see it in the journey salmon take back to the place of their origin. We see it in the journey the turtles make, back to the place of their origin.

will receive after the millennial reign of Christ; Enoch is shown the bosom of the Father, the place of our origin and destiny of the elect and mankind learns the roots of his true history.

- (§41-45): The last days and end of times is prophesied. Enoch is told that great plagues shall proceed forth from the Lord of the Spirits against sinners. Enoch is shown sealed storerooms, the secrets of heaven, the powers God assigned to angels for them to function; God increases Enoch with knowledge and experience; Enoch describes the great mysteries of God for our benefit, to show God's order and the power of his Oath—how everything is weighed and measured, and how God bears rule by the word of his Oath throughout all his creation.
- (§46-51): The Son of Man is revealed and given a name and prophesied to be the Light of the Gentiles to give hope to those who are sick of heart; Enoch identifies the Lamb of God as the Chosen One to redeem mankind, the Elect One who will judge the secret things; White Throne Judgment, second resurrection, new heavens and earth, the holy city, New Jerusalem comes down from heaven to earth.
- (§52-71) The God-Code of man is discussed: its appetite, drive, and powers. Enoch is shown the criminal deeds of angels and men (those who apostatized from the stewardship of God's kingdom) and their corporal punishment and is told that the epoch of their lives, the era of their glory, and power to deceive will come to an end; Enoch sees the throne of God and the countless powers that serve him; Watchers present themselves to humans as gods in the first millennium, and again in the coming Tribulation; the Oath of the Lord revealed as his V.O.W..

3. The Book of Astronomical Writings (chs. 72—82)

The Book of the Itinerary of the Luminaries of Heaven. Through Enoch, God reveals the order He established in the invisible realm in the universe, for the moon and the stars and the sun.

God assigned angels to oversee all things natural and supernatural. The original pattern of knowledge concerning the order of the cosmos is understood. The names of the sun and the rotation of the sun, the names of the moon and the rotation of the moon.

The 12 gates of the sun through which heat is diffused and the 14 cycles of the moon, and the 12 gates around the earth are shown to Enoch by the angel Uriel that the Adamite man, viewing these things and admiring its beauty, its precision, its vastness, its awfulness, would see how small he is.

ANSWERS FROM
THE BOOK OF ENOCH

- The revelations given to Enoch are accurate, predating modern science. It is only now, within the last few years that scientists have discover the gates of the sun. The Spirit emphasizes the wisdom of God and the knowledge of the cosmos, because in the last days the sinner will deny this path and try to discredit God's universe to turn the truth into a lie.

1 Enoch 75:3

“Thus the signs, the durations of time, the years, and the days were shown to me (by) the angel Uriel, whom the Lord, God of eternal glory, has appointed over all the luminaries of heaven—(both) in heaven and the world—in order that they—the sun, the moon, the stars, and all the created objects which circulate in all the chariots of heaven—should rule in the face of the sky and be seen on the earth to be guides for the day and the night.”

3. The Book of Astronomical Writings (§72-82):

Eric vonAnderseck divides the third section of 1 Enoch into two parts:

- (§72-75): The Book of the Itinerary of the Luminaries of Heaven. The archangel, Uriel shows Enoch the course of the sun and moon and celestial bodies, how angels guide them, how they correlate to earth's seasons; Enoch views the magnificent gates of the sun modern day scientist refer to as solar flares.
- (§76-82): The 12 gates of heaven examined and correlated to earthly weather patterns; the gates souls pass through into this dimension is seen; the stations of angels and their duties; weather changes predicted on account of the sin of mankind; the course of the moon changes; Enoch weeps for sinners for they are ruled by false knowledge.

4. The Book of Dreams & Visions (chs. 83—90)

Book 4 begins with Enoch instructing his son Methuselah concerning the vision God gave him regarding the end of the world. Enoch calls it a “great destruction”.

1 Enoch 83:7

“And I recounted to him the whole vision which I had seen. And he said unto me, ‘How terrifying a thing have you seen, my son! You have seen in your dream a powerful vision—all the sins of the whole world as it was sinking into the abyss and being destroyed with great destruction.’”

A central theme throughout the book of Enoch is God's displeasure at man choosing the knowledge of the fallen angels over His knowledge and God's intent to show man His displeasure by bringing 2 catastrophic judgments upon the earth to destroy mankind:

The First Consummation: God destroys mankind through a Flood in the days of Noah.

The Second Consummation: God will soon again destroy mankind through a series of catastrophic judgments.

- The intensity of God's judgments seen in the book of Revelation are understood, from the 7 Trumpet judgments to the 7 Vials.
- Through Enoch God teaches us concerning our inheritance as His "first-born."

Enoch prays and acknowledges the sovereignty of God in prayer, the One who rules from off His throne. He is King of kings and God of the whole world.

4. The Book of Dreams and Visions (§83-90):

Eric vonAnderseck divides the fourth section of 1 Enoch into two parts:

- (§83-84): Enoch recounts his visions to his son Methuselah, instructing him in righteousness and travails for the great destruction that is coming (Flood of Noah); he sees the great drains through which the floodwaters recede and prays that God will not completely empty the earth; God reveals that a remnant shall be saved.
- (§85-90): Animals symbolize God's timeline of progression until Christ. The kings and prophets of Israel are presented in this prophetic line. King David read from the book of Enoch about God choosing him as a ram; Enoch and Elijah seen to reappear in the 7th week (Tribulation) to prophesy against the first beast, the second beast, and the dragon; Watchers' ancient and modern day attempts to create a genetic union with humans; the beast that ascends out of the bottomless pit is identified.

5. The Book of the Epistle of Enoch (chs. 91—107)

Enoch identifies for his children, and indeed, for the world, that the revelation given to him is God breathed or God inspired, for he says, "*The Spirit is poured over me*". (1 Enoch 91:1). In other words, "Accept this knowledge because this is what the Spirit of God will work with. The Spirit of God will inhabit this knowledge, and it gives life."

We read in Enoch's exhortations the same Spirit of Grace that exhorts us through the epistles of the apostles.

5. The Book of the Epistle of Enoch (§91-107):

Eric vonAnderseck divides the fifth section of 1 Enoch into two parts:

- (§91-95): Enoch identifies a repeat of history: "Oppression shall recur once more and be carried out upon the earth; every (form of) oppression, injustice, and iniquity shall infect (the world) twofold." (1 Enoch 91:7). God is getting ready to judge every philosophical system and every religious system because they misrepresented him to the world. "In those days, injustice shall be cut off from its fountain and from its roots likewise oppression together with deceit; they shall be destroyed from underneath the heaven." (1 Enoch 91:8)
- (§96-107): The age of the impious is over; mankind is warned of the second consummation; we are made to understand why the human race lost the fear of God, how religious sinners use God's compassion against God; the reward of the wicked and the reward of the righteous are explained.

Through Enoch we, in this distant generation, are made to understand what God is about to do. His plan is to remove the fingerprints of Satan and the fallen Watchers from His creation.

THE BOOK OF ENOCH**

- Angels rule the earth again and rule over man.
- The earth reflects its prince –Satan.

For this cause God must judge the religion of one's own truths that the Deceiver taught man to exalt as righteousness. God will destroy every false gods, every exalted man-made religions, the images made to honor ones' philosophies; these are the 'blasphemers' Enoch addresses.

The Second 8th Week Prophesied to Occur

1 Enoch 91:12

“Then after that there shall occur the second eighth week—the week of righteousness. A sword shall be given to it in order that judgment shall be executed in righteousness on the oppressors, and sinners shall be delivered into the hands of the righteous.”

Enoch, again, is showing contrast between the sinner and the righteous, the wicked and the just. We see that throughout the book of Proverbs and the epistles, how the Spirit of the Lord brings contrast that through this comparison, we grow in discernment.

And this discernment assists us in our choices, to choose the good and abhor that which is evil.

The Book of Enoch to be Read Again in Our Generation

1 Enoch 1:2

“1 Enoch 1:2 “And Enoch, the blessed and righteous man of the Lord took up (his parable) while his eyes were open and he saw, and said, ”(This is) a holy vision from the heavens which the angels showed me: and I heard from them everything and I understood. I look not for this generation but for the distant one that is coming. I speak about the elect ones and concerning them.”

There is no doubt that God desires the book of Enoch to be read today. That's a tradition, which God has preserved for today—the revelation of the heavenlies, unfolded, and now is in this dimension of the earthly.

What is read in the book of Enoch is like reading from the book of Genesis through the book of Exodus, Judges, and Kings and prophets, we gain a panoramic view of the plan of God from the creation of the world, to the selection of God's stewards, the rise and fall of the kings of the earth, the glory of Solomon, and the rise of God's holy prophets, God reveals to mankind a tradition of faith, a tradition of Himself.
